www.essex.gov.uk/admissions

The online application system has a number of benefits for parents and carers:

- you can access related information through links on the website to find out more about individual schools, such as home to school transport or inspection reports;
- when you have submitted your application you will receive an email confirming this;
- you will be told the outcome of your online application by email on offer day if you requested this when you applied.

You will be able to make your application online from **6 November 2023**.

The closing date for primary applications is **15 January 2024**. This is the statutory national closing date set by the Government.

Key Points to Remember

- **APPLY ON TIME - closing date 15 January 2024.**
- **Use all 4 preferences.**
- **Tell us immediately in writing (email or by letter) about any address change.**
- **If entitlement to school transport is important to you, please make sure you read and understand the 'Home to School Transport' section in the 'Primary Education in Essex 2024/2025' admissions guide and also the Education Transport policy at www.essex.gov.uk/schooltransport. School priority admission (catchment) areas are not relevant to transport eligibility. Transport is generally only provided to the nearest available school where the distance criteria is met. It is vital you carefully consider the transport implications before you make your application for a school place. If you need any further advice please contact us at educationawards@essex.gov.uk.**

Introduction to the Schools' Admissions Policies Directory for Mid Essex

This Directory should be used with the Primary Education in Essex 2024/2025 booklet which is available on our website at www.essex.gov.uk/admissions by parents and carers whose children will be starting primary education or transferring from infant to junior school in Mid Essex in the school year that begins in September 2024.

In this Directory you will find the School Admission policies of all the primary, infant and junior schools in the Mid Essex locality. This includes areas 3 (Braintree), 1 (Chelmsford) and 6 (Maldon) on the map below. On page 6 it explains what the different parts of these policies mean.

You can make your application via our website: www.essex.gov.uk/admissions

The deadline for receipt of applications is **15 January 2024**.

The information contained in this booklet is correct as at the time of printing. Policies may change in the light of decisions made by the Schools' Adjudicator, the Education Skills and Funding Agency or any change in the law. An addendum will be available on the website and on request.

Co-ordinated admission arrangements and what they mean

The law requires a LA to co-ordinate admissions to all primary schools (except independent (fee-paying) or special schools) in their area. Primary schools includes infant schools.

Essex parents must apply for primary school places by completing the Common Application Form. This can either be completed online at www.essex.gov.uk/admissions, or you can use a paper application form. **Please do not do both.** Parents can express preferences for up to four schools, both in and out of Essex, in the order in which they would like them considered.

On 16 April 2024, parents will be sent one offer of a place at the highest preference school that can be met. If none of the preferences can be met a place will be offered at the nearest Essex school to the child's home address with a space available. Here are some examples of this process:

Example 1 – Parent has applied for four schools and the first preference can be met:

Preference 1 – Offered

Preference 2 – Not offered – right to appeal given*

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 2 – Parent has applied for four schools and the second preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Offered

Preference 3 – Not offered – right to appeal given*

Preference 4 – Not offered – right to appeal given*

Example 3 – Parent has applied for four schools and no preference can be met:

Preference 1 – Not offered – on waiting list and right to appeal given

Preference 2 – Not offered – on waiting list and right to appeal given

Preference 3 – Not offered – on waiting list and right to appeal given

Preference 4 – Not offered – on waiting list and right to appeal given

Your child will be offered a place at the nearest Essex school to their home address with a space available.

* You will note from examples 1 and 2 that children are only held on waiting lists for preferences higher than the one that can be met.

On 16 April 2024 (National offer day) Essex resident families will be sent a notification of the school offer being made. This will either be an email (for those that applied online) or a letter for all other applications.

Admissions Policy

There is no guarantee of a place in the school. In the event of oversubscription places will be allocated using the following criteria in the order given:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with a sibling attending the school;
3. children living in the priority admission area;
4. remaining applications.

The normal age range of the school is shown here. (4-11 for primary, 4-7 for infant and 7-11 for junior. A # shows that the school has a nursery unit.)

A summary of the school's admissions policy.

More information about the school will be available on its website.

This indicates the type of school. See the Primary Education in Essex 2024/2025 booklet for more information.

Department for Education unique identification number for the school.

No. of Reception places available in Sept 2024.

See Note 1. Years R-6.

Total No. of pupils at the school in January 2023 years R-6.

The last admissions criterion under which pupils were admitted to the school last year.

See Note 2

For Community and Voluntary Controlled schools, the definition of a sibling can be found in the Primary Education in Essex 2024/2025 booklet. Some academy, foundation and voluntary aided schools also use that definition. Where it is different, the definition can be found under the individual school's entry.

Note 1

The Published Admission Number (PAN) is the number of places that the school has available for the new Reception intake in 2024. In general this will be the same as the PAN for 2023. The total number of applications received was collated on 17 April 2023. The PAN and the number of applications received for 2023 should give you an idea of the demand for places at the school. Treat this information carefully and talk to the school about it. For instance, some applications may have been second, third or fourth preferences and these increase the overall number of applications. However you should be aware that if you only apply for schools that are oversubscribed you may not receive a place at any of them.

Note 2

Timing of Admission: As required by law with effect from September 2011, all infant and primary schools provide for the full time admission of all children offered a place in the reception year group from the September following their fourth birthday. This means that you have the right to a full time place at the school your child is offered from September 2024. Parents can request that the date their child is admitted to school is deferred until later in the school year or until the child reaches compulsory school age in the school year. Where entry is deferred, the school will hold the place for that child and not offer it to another child. The parent would not however be able to defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted. Parents can also request that their child attends part-time until the child reaches compulsory school age. You would need to check with the individual school(s) what the part-time provision would be. Where parents choose to defer entry, the school may reasonably expect that the child would start at the beginning of a new school term/half term.

Admissions Policy

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below, to decide which children to admit:

1. Looked After Children and previously looked after children (as defined in the Primary Education in Essex 2024/2025 booklet);
2. children with exceptional medical or social needs;
3. children living in the priority admissions area with a sibling* at the School;
4. other children living in the priority admissions area without a sibling* at the school;
5. children living outside the priority admissions area with a sibling* at the School;
6. children living outside the priority admissions area who meet the faith# criterion;
7. all other children.

(i) Medical need means where written evidence has been provided from a senior clinical medical officer or the child's general practitioner / specialist showing that the child's condition would make it detrimental to the child's health not to admit him/her to the School. This may include written evidence where the parent has a medical need and/or disability which would make it detrimental for the child to attend a different school; this may be supported by evidence of the child as a young carer.

(ii) Social Need means where the child is of confirmed refugee status. Written evidence of this must be submitted with the Supplementary

Information Form and sent to the School on or before 15th January 2024.

* Sibling means brother or sister, half brother or sister, adopted brother or sister, step brother or sister, foster brother or sister, or the child of the parent/carer's partner where the child for whom admission is sought is living in the same family unit as that sibling and at the same address.

Priority Admissions Area means the geographical area from which children will be afforded priority for admission to the School. A map showing the priority admissions area, is available to view on the School website. A hard copy is available at the School office.

A child living outside the priority admissions area is eligible for this category where the child or the parent or carers meets the following criteria, in order of priority.

- Regular attendance at public worship in any Church of England church, for not less than eight times in a twelve-month period prior to the date of submission of the application for admission to the school.
- Regular attendance at public worship in any other Christian church for not less than eight times in a twelve-month period prior to the date of submission to the school. For the purposes of these admission arrangements 'other Christian church' means a church which is Designated under the Ecumenical Relations Measure 2018, nationally by the Archbishops of Canterbury and York, or locally by the diocesan bishop; or which is a member of Churches Together in England; or affiliated to the Evangelical Alliance; or a Partner Church of Affinity.
- Regular attendance at public worship in any faith group which is a member of the local Council of Faiths for not less than eight times in a twelve-month period prior to the date of submission of the application for admission to the school.

You must complete the relevant part of the SIF if you are applying under Category 6. The SIF must be verified and signed by the relevant Church or Faith Leader, or an authorised Church or Faith Officer.

◆ This school requires a Supplementary Information Form to be completed. The SIF must be returned to the School office on or before 15th January 2024.
