ECC Commercial Pipeline

Our Commercial Pipeline provides a forward look at our anticipated outsourcing activity over the next 3 years. Where possible, we have included all our major projects and anticipated procurements valued at £2M or more.

Please be aware that there is no guarantee that the opportunities detailed within the Commercial Pipeline will lead to a tender publication or contract award.

Circumstances may change and we cannot guarantee that the requirements, procurement route, contract value, and/or timeline will be as stated.

The Commercial Pipeline reflects our anticipated forward opportunities as at the publication date, may be subject to change, and is provided for general information purposes only.

We will refresh our published Commercial pipeline every few months in 2022, as new information becomes available, and will continue to publish details of all of our relevant opportunities via our Current Opportunities and Contracts Finder.
